LiftOperator® Intelligent Control

Battery

Hand Control

Control Box

A standard feature with all S.R.Smith ADA compliant pool lifts, the LiftOperator is the most technologically advanced pool lift control on the market.

- Emergency stop button sounds an audible alarm and can stop the lift
- Bright LED color-coded indicator shows battery life
- Service notification light meets ADA guidelines for scheduled maintenance, promoting regular service checks (based on 3–4 months average usage)
- USB port transfers usage data to a USB memory stick for review on PC
- Optional activation key to prevent unauthorized use
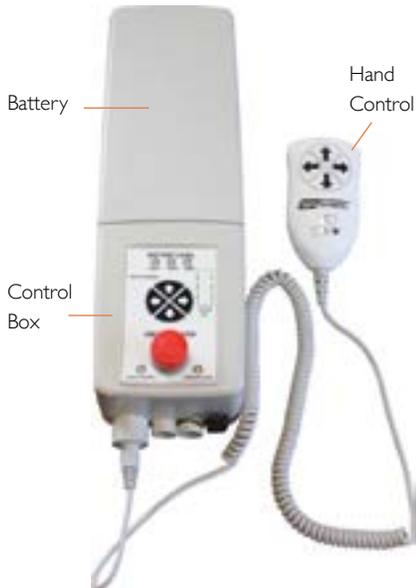

Model No.	Description	Shipping
